

Greetings to SSU Tigers and Friends,

The Augusta Chapter of Savannah State University National Alumni Association (SSUNAA) has a rich history of supporting Savannah State University (SSU) that dates back to 1948 when the charter was established. This history, consists of both community involvement and student support for the university and its students.

The chapter participates in various community involvement activities in and around the CSRA that include: CSRA College Night held at the James Brown Arena where several hundred students are exposed to SSU, various church college fairs where we support the university and assist in the recruitment students, the HBCU Alliance 5K run, and the Annual Martin Luther King, Jr. Celebration.

Additionally, we have a history of supporting students from the Augusta area financially with scholarships, books, labs and classes, etc.

Moreover, the Augusta Chapter supports the Savannah State National Alumni Association's Homecoming activities by preparing the Friday Fish Fry. During this festive occasion, the Augusta Chapter supplies the equipment and manpower to prepare fish and sides to several hundred alumni and students. When talking to other alumni members during the fish fry they really enjoy the camaraderie that this event builds. It gives them an opportunity and a reason to come onto the yard and rehash memories of when they attended the university.

In summary, The Augusta Chapter's commitment, diligence, and dedication to the university and its success made our chapter a recipient of the 2017 Chapter of the Year for the Savannah State University National Alumni Association.

If you have any ideas or projects which might help our fellow alumni or students, please feel free to email me at [medvend69@gmail.com](mailto:medvend69@gmail.com). I would love to hear from you and hope to assist in finding an area of the Alumni Association you are passionate about.

Sincerely,

David E. Moton  
President Augusta Chapter of SSUNAA
